**CALLOWAY COUNTY SCHOOL DISTRICT  
DISTRICT FACILITIES PLAN HEARING REPORT**

A public hearing was held at the Calloway County Schools Board of Education Meeting Room on April 27, 2009 at 6:00 pm CDT. The purpose of the public hearing was to propose a new District Facility Plan developed by the Calloway County Schools Local Planning Committee. The Local Planning Committee (LPC) voted 16-0 in favor of the proposed new plan and the Board voted 5-0 to approve the new plan.

There was one (1) person at the hearing exclusive of the hearing officer. Randy L. McCallon, Assistant Superintendent, served as the locally-appointed hearing officer. Mr. Steve Hoskins, Calloway County Schools Superintendent, was the only person present other than the hearing officer.

**COMMENTS**

Mr. Randy L. McCallon called the public hearing to order at 6:01 pm CDT. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 4:180. It was explained that those persons wishing to speak would be given the opportunity and that written statements would be accepted. It was also noted that all considerations will be made available to the Kentucky Board of Education via the hearing officer's report. The hearing officer read the proposed new District Facility Plan that includes: **interior work such as HVAC, security systems, carpeting, tile ceilings and ADA accessibility on all six schools where instruction occurs, capital construction priorities for management support areas including renovation of the central office, maintenance building, bus garage and a new central storage facility, discretionary projects to upgrade tennis courts, track, Laker Pride Center, soccer concessions and soccer locker room.**

The floor was opened to those individuals who wished to make a statement. There was no one in attendance other than the above mentioned; therefore, no statements were made during the hearing. It had been advertised that anyone could send a written statement to the central office that would be read; however, no statements were sent to the superintendent, hearing officer, LPC members or anyone else affiliated with Calloway County Schools. Mr. McCallon ended the public hearing at 6:21 pm after giving ample time for individuals or groups to attend.

**RECOMMENDATIONS**

It is recommended that the new District Facility Plan developed by the Calloway County Schools Local Planning Committee and adopted by the Calloway County Board of Education be approved as the District Facility Plan for the Calloway County School District. A copy of the new plan is attached.

Respectfully submitted,  
Randy L. McCallon, Assistant Superintendent
